Hello! Have you been thinking about the great offer to join Stampin' Up! by purchasing the Starter Kit? Not sure what it's all about? Let us tell you why it's the **BEST DEAL** in the catalogue and why you should join the fun.

We're sure you will have questions and if you do, please don't hesitate to contact us and ask away. But below you will find a few of the answers to some of the most asked questions as well as benefits.

- Choose items from the Annual & New Autumn/Winter Catalogue, before anyone else and may pre-order items.
- Get 20% discount on future purchases for at least 3 months
- Make new crafty friends locally & around the world
- **Is the offer too good to be true, what's the catch?** No catch, you can stay as long as you like, do as much or as little as you want. It is totally in your control.
- **Do you have to run it as a business as you are called a Demonstrator?** No it is just the name Stampin' Up! give to us, Avon calls them 'agents' this is just a name. You can run it as a business, but equally you can just enjoy being a demonstrator who loves the products, your 20% discount, access to great resources, local & global friendships, events such as On Stage and the crafting inspiration. You can just put your initial £99 Starter Kit order and that's it. Also you will be part of our team Mitosu Stampurrrs which we would truly love and gives you benefits of sharing creativity with friends.
- **What do you need to do to continue receiving your discounts and other Stampin' Up! benefits?** You'll need to either buy or sell x amount of products per quarter by placing orders for yourself, friends, family or potential customers. But you don't have to spend anything else if you don't want to. After a minimum of 3 months you'll just go back to being a customer of ours if you wish to.

If you're interested please head over to our website [www.mitosucrafts.com](http://www.mitosucrafts.com) and click on Join Our Team tab at the top of the page & click on the Join Mitosu Stampurrrs picture towards the bottom. You can then start to select your £130 worth of Starter Kit products for only £99.
